He transmission of the Equation of the Contract in any hanger to all shauthorized preson is fed thered by the contract of the cont THIS IS UNEVALUATED INFORMATION 25X1 has been able to determine with 25X1 1. certainty that no dismantling is taking place at the Buna-Werke in Schkopau. Recent reports speaking of dismantling may refer to routine and temporary work stoppages in individual sections of the plant; for example, the production of Igelit at the Buna-Werke was recently halted temporarily because, at that time, the market was glutted with this item. However, no general dismissal of workers has taken place.
